

Play Middle C and D. Play these notes in the right hand. Use finger numbers 1 & 2

The notes below are WHOLE notes. Tap your foot 4 times for each note.

A musical score for a piano, showing four measures. The right hand (treble clef) plays whole notes: C (finger 1), D (finger 2), C (finger 1), and D (finger 2). The left hand (bass clef) plays a steady bass line of quarter notes, represented by small black squares on the staff.

The notes below are HALF notes. Tap your foot 2 times for each note.

A musical score for a piano, showing four measures. The right hand (treble clef) plays half notes: C, D, C, and D. The left hand (bass clef) plays a steady bass line of quarter notes, represented by small black squares on the staff.

Listen to the midi file of this page and pay attention to the metronome in the background so that you can get a better understanding of WHOLE NOTES and HALF NOTES.
